LOCATIONS

Why Milan?

Milan is the international **Capital of Fashion, Accessories, Design** and **Beauty** where key players in Luxury converge. It is a trend-setting city, driven in part by the strong concentration of buyers in the area.

Students can experience the creative process through Luxury Companies and Showrooms: therefore, **Milan represents an international centre of production and creativity** which is constantly evolving, and which makes real the idea of marketability season after season.

Why Firenze?

In Florence, **art and culture** influence the design of luxury jewelry and accessories, provide an exclusive backdrop for the fashion shows where tomorrow's collections make their debut, and celebrate Italian tailoring traditions and innovation in menswear, addressing a **refined and contemporary audience**.

Students not only study the creation, practice, care, and promotion of art and fashion, but also the new languages of visual, multimedia, and artistic communication, exploring the intersections between digital arts, media, and modern technologies. At the same time, they learn to make the most of the city's **rich variety of materials and textiles**, enhancing them through new concepts of craftsmanship and drawing inspiration from them for the development of future collections.

FACULTY

Faculty at Istituto Marangoni brings together leading **industry experts** and **seasoned professionals**, offering participants a unique blend of academic excellence and real-world insight.
