

ISTITUTO MARANGONI RIYADH ‘Bridging Cultural Heritage and Innovation in Fashion’

Terms & Conditions

1. Subject

As the first global institute specializing in fashion to open its doors in the Kingdom, Istituto Marangoni Riyadh has the aim to prepare students for the job market, in line with Saudi Vision 2030.

Istituto Marangoni Higher Training Institute in Saudi Arabia, strategically located in Riyadh, aims to cater to offer an array of specialized programs, blending KSA heritage, inclusive education and technical skills to foster creativity and empower future fashion industry leaders, under the accreditation of Technical and Vocational Training Corporation (TVTC), the government agency concerned with technical and vocational training in the Kingdom of Saudi Arabia.

As part of a strategic initiative to support the next generation of Saudi fashion professionals, the Ministry of Culture's Fashion Commission is supporting Istituto Marangoni in the launch of its new three-year undergraduate Advanced Training Diploma. Istituto Marangoni will therefore provide 50 scholarships for Saudi students enrolling in the Diploma. This opportunity is open to Saudi nationals holding a high school certificate or an equivalent qualification.

This initiative confirms its mission to support local talents, providing them with an innovative learning experience and a transformative education approach that bridges local culture and global opportunities.

Scholarships are intended as a deduction on the Tuition Fees (Enrolment Fee is always due).

Young Saudi nationals can apply for a scholarship in one of the following courses: Advanced Training Diploma programmes, 1Y program.

The 3-year undergraduate Advanced Training Diploma will be accessible to students holding a Saudi ID/passport and high school certificate or equivalent, willing to have an education and a career in the fashion industry.

The Diploma courses seek to equip trainees with the skills and knowledge necessary to work in the field of fashion design, accessories design, fashion product, pattern making, fashion management, fabric design and fragrances and cosmetics.

2. Project Brief

In order to participate in the initiative, candidates are required to produce a project, focused on the topic of the contest: ‘Bridging Cultural Heritage and Innovation in Fashion’.

The aim of the project is to highlight the beauty and uniqueness of traditional crafts in the Kingdom of Saudi Arabia and how fashion has an important role to play in helping to preserve precious skills and knowledge by finding new applications for these in contemporary society.

Participants should develop their projects by taking an imaginative, problem-solving approach.

Please choose one of the following briefs for your project – bases on your Study Area of interest:
