2. Project Brief

BAMA Fashion Business

Event Marketing for VOGUE

What is VOGUE?

VOGUE is an immersive, multi-day fashion and culture event created by *Vogue* magazine. It blends high fashion, street style, performance, and local creativity into a live celebration of Vogue's editorial vision. Past editions in New York and London combined runway shows, live music, dance, art installations, and celebrity appearances. Vogue World showcases both global fashion powerhouses and emerging talent, often in unexpected, theatrical ways. It is not just a fashion show—it's a cultural experience that reflects the *spirit of the city* it visits, celebrating local identity while maintaining Vogue's distinctive high-fashion perspective.

Your Task:

VOGUE is coming to your country.

As a cultural curator and event strategist, you are invited to conceptualize a two-day event in a city in your country or of your choice that reflects both the VOGUE brand and the local culture and creativity.

Your proposal should include:

1. Theme and Concept
 - What story or mood will your VOGUE WORLD event in the specific city will tell?
 - How will it reflect Vogue's identity and the city local culture?
2. Programme for Each Day
 - Fashion shows, performances, exhibitions, talks, or installations.
 - Include timeframes and locations if possible.
3. Talent and Partnerships
 - Suggest local designers, performers, artists, or cultural figures to include.
 - Mention possible collaborations with local institutions, brands, or creatives.
4. Audience Engagement
 - How will you engage Vogue's audience and local readership?
 - Any interactive elements, workshops, or digital components?
5. Visual and Styling Direction

- Mood board or visual inspiration (optional but encouraged).
- How will the visual identity reflect both Vogue's luxury brand and the local city aesthetics?

BA/MA Fashion Design

This project challenges you to develop a capsule collection (4–6 looks) that engages with the cultural, aesthetic, or editorial legacy of Vogue magazine.

Whether inspired by a specific era, an iconic editor or cover, a photographic style, or a theme historically explored by Vogue, you will reinterpret and channel these references into a contemporary, relevant capsule collection.

The capsule collection should relate in some way to sustainability, considering cultural and ethical issues, and investigating responsible fashion processes by identifying and research current challenges that exist in fashion and their impact on people and the environment.

The goal is to reflect on Vogue's influence in shaping fashion language and visual storytelling—and translate that into original design work that bridges editorial fashion with personal vision.

You should develop your project by taking an imaginative, problem-solving and forward-thinking approach. Choose an area of focus for a concept and develop a capsule collection which explores and addresses this.

This collection should incorporate sustainable, ethical and responsible processes, in sourcing and use of materials, and through surface exploration, manipulations and embellishment.

Submit a digital capsule collection portfolio including the following:

- Rationale
- Research
- Design development
- Concept
- Fabrics / Embellishments / Manipulations
- 6 outfit capsule collection

The portfolio can be up to a maximum of 20 pages and submitted in pdf format.
