

01 FIERA MILANO • RHO

Booth Reception 6/10

9-14 April • 9.30pm > 6.30pm

A selection of new projects made by the students of Istituto Marangoni Milano Design. The exhibition includes occasional tables from the Product Design department, an interactive motion graphic project from the Visual Design department, and an hotel-suite project in VR from the Interior Design department.

02 FIERA MILANO • RHO

Salone Satellite • Pad. 22-24 • Booth S07

9-14 April • 9.30pm > 6.30pm

Istituto Marangoni Milano Design presents Prisma, a project established by the school to support the best alumni in launching their career and taking off as professionals in the design system.

03 PROJECT WITH OONIKO

Refin Studio • Via Melone 2

9-14 April • 10am > 8pm

12 April • 10am > 10pm

A selection of Istituto Marangoni Milano Design's alumni exhibit their original glass pieces designed for the company Ooniko, a dialogue with the Vetri porcelain stoneware collection manufactured by Refin. Similarities and transparencies are deeply connected with the very special location of ex-studio Ettore Sottsass jr.

04 ICON DESIGN TALKS

Fondazione Catella • Via Gaetano de Castilla 28

12 April • 5pm

Istituto Marangoni Milano Design takes part in the Icon Design Talks series with a conversation between the Director of Education Mark Anderson and the star designer Tom Dixon about the new meaning of hospitality, held in the suggestive location of Riccardo Catella Foundation.

Free registration on Icon Design Talks website

05 PROJECT WITH FLAMINIA

Flaminia Showroom • Via Solferino 18

9-14 April • 10am > 9pm

Istituto Marangoni Milano Design students and alumni present their projects of contemporary washbasins for the company Flaminia, which they designed taking inspiration from their different international background.

06 PROJECT WITH LEA CERAMICHE

Lea Ceramiche Showroom • Via Durini 3

9-13 April • 10pm > 8pm

14 April • 11am > 5pm

The students Surface & Textile Design master's course showcase their personal interpretations of the ceramic material, combining the latest trends in interior design with the style of Lea Ceramiche, a leading brand in the surface design industry.

07 PROJECT WITH CAPPELLINI

Cappellini Studio • Via Santa Cecilia 4

9-13 April • 10pm > 8pm

14 April • 10am > 6pm

The students of Interior Design and Contemporary Furniture Design master's courses showcase their projects for the 'Cappellini Villas', a series of villas in White Bay on the north coast of Egypt, as well with their proposals for the first Cappellini outdoor collection.

08 DESIGN EXPERIENCE

Istituto Marangoni Milano Design

Via Cervia 24

9-14 April • 10am > 8pm

In the occasion of Milan Design Week, Istituto Marangoni Milano Design becomes a creative hub hosting some of the finest works by their students and alumni, realized in partnership with the leading brands and companies Flaminia, Cappellini, Orsoni, Icone Luce and Lea Ceramiche.

Cocktail Event

11th April • 7pm > 9pm
